

Fire On The Arrow

Dear Family and Friends,

Thank you for your interest in the **CD project** titled *Fire On The Arrow* which was inspired by the living spirit of the late Kay Gardner. I had the honor of singing with many amazing women to make my dream of recording these original songs/chants a reality: the "**Fab Five**" from Ohio - Kathy Crocco, Betsy Cornell, Lee Hoffman, Julie Kronenberger, and Shira Thompson; **Women With Wings** from Maine, facilitated by Linda Smith Koehler and Colleen Fitzgerald; **Ruth Barrett** and **Falcon River** from Wisconsin; and women of the **Columbus Singing in Sacred Circle**. It was an awe inspiring journey as these many voices came together to make soulful sounds of music and love. Thank you for printing a copy of the order form below and mailing it to the address at the bottom of the page. Please feel free to forward this web site and information to others who may be interested. Thanks for your support!
